X _____
Patient understands that the Medela Invia Liberty Pump, docking station, power cord and case must be returned to ABC Medical.

Welcome!

Thank you for allowing *ABC Medical* to be of service. We would like to acquaint you with some helpful information.

Emergencies

Should an emergency arise, please call 911.

STOP THERAPY IF SUDDEN, ACTIVE OR LARGE AMOUNTS OF BLEEDING OCCUR OR FRANK BLOOD IS SEEN IN THE TUBING OR CANISTER. IN THIS CASE:

- Stop negative pressure, turn the pump off.
- Leave the dressing in place until the wound can be safely explored by the surgeon.
- Take measures to stop bleeding
- Provide immediate medical assistance.

Deliveries

We request that delivery of supplies be arranged 3 full days in advance during office hours. We have a special service called the Customer Care Center that can help you schedule your needs well in advance. This service should alleviate any concerns you may have about running out of supplies and will allow us to adequately schedule your delivery.

Holidays

Deliveries around the major holidays, New Year's Day, Memorial Day, July 4, Labor Day, Thanksgiving Day and Christmas Day may be delayed.

Insurance

Medicare – We routinely accept assignments and bill Medicare for the patient.

Medicaid – Coverage varies by equipment needs and locations. Please contact the Customer Care Center at ABC Medical for specific information.

Private Insurance – Depending on the specific insurance, ABC Medical will either accept assignment or assist the patient in submitting claim documents.

Accredited by the Joint Commission of Healthcare Organizations (JCAHO) (or whoever you are accredited by)
